SIGNIFICANT NON-PEDAYEEN INTERNATIONAL TERRORIST INCIDENTS

1 JULY TO 30 SEPTEMBER 1975

This chronology lists significant international terrorist incidents other than those related to the Palestinian problem. It supplements the previously published chronologies covering the period January 1970 through June 1975 and includes one incident previously published on which new information has been made available. The listing does not include hijackings of U.S. domestic aircraft or internal terrorist incidents of other countries.

28 June 1975

Bulgaria

Balkan-Bulgarian Aircraft Hijacked
A young Bulgarian man, armed with a pistol, hijacked a Balkan-Bulgarian Airlines aircraft with 48 passengers and crew to Thessaloniki, Greece on 28 June, where he requested political asylum. The passengers and crew returned to Bulgaria the same day. The hijacker, who apparently has mental problems, was extradited to Bulgaria.

PERMANENT CHRONOLOGY FOR 1 JULY TO 30 SEPTEMBER 1975

The terrorists probably intended to shoot a U.S. citizen. The People's Strugglers, a fanatical dissident group, is responsible.</p>
14 July 1975	Ethiopia, Asmara	<p><u>Two U.S. Citizens Kidnapped</u></p> <p>Two U.S. employees of the Collins International Service Company were kidnapped from the U.S. Navy's Kagnev Station transmitter site near Asmara, Ethiopia on 14 July by Eritrean insurgents. 15 July 1975

United States,
Los Angeles

Mexican Consulate in Los Angeles Bombed
A bomb exploded inside the crowded offices of the Mexican Consulate, injuring four persons and causing substantial damage. The same day a man informed the City News Service that the "peace and Freedom Fighters" were responsible for the bombing and demanded the release of Cuban political prisoners and no relations with Cuba. This may be a cover name for the FLNC, which has been responsible for a number of bombings directed against countries favoring re-establishment of relations with Cuba.

18 July 1975

United States,
Washington, D.C.

Bomb Explodes at Costa Rican Embassy
A bomb exploded outside the Costa Rican Embassy, narrowly missing the Costa Rican Ambassador who was walking to his car. There were no injuries. No one claimed credit for this bombing, but it is likely that the FLNC, an anti-Castro Cuban exile group, is responsible. Costa Rica was hosting an OAS meeting which considered relations with Cuba.

19 July 1975

Mexico,
Mexico City

American Express Executive Kidnapped in
Mexico City

An American Express executive was kidnapped outside his house by five armed terrorists on 19 July. He was released 21 July after a ransom of \$80,000 in Mexican pesos was paid. The executive identified his captors as members of the 23rd of September League, an urban guerrilla gang that has been responsible for a number of bloody bank robberies and abductions over the past two years. However, Mexican authorities believe the terrorists probably are common criminals using a political cover.

23 July 1975

Japan, Okinawa

Chilean Naval Vessel Attacked

A Chilean naval training vessel and a Kobe University ship docked at the International Ocean Exposition in Okinawa were attacked by terrorists using Molotov cocktails. Two Chilean sailors were injured, one seriously. There was little damage to the ships. Radical leftists are probably responsible.

23 July 1975	Philippines, Malangas	<p><u>Danish Plantation Manager Kidnapped</u> A Danish plantation manager in the southern Philippines was kidnapped by Moslem rebels who demanded \$13,300 ransom. According to an Associated Press report, rebels and bandits have staged a series of kidnappings in the southern islands. Reportedly the Philippine subsidiary of the Goodyear Tire and Rubber Company paid over \$10,000 to Moslem rebels for the release of a hijacked motorboat with 15 people aboard.</p>

5 September 1975	England, London	<u>Bomb Explodes in Hilton Hotel</u> A bomb exploded in the lobby of the Hilton Hotel in London, killing two and injuring more than 40. Army bomb experts discovered and set off a second bomb at the hotel. Associated Newspapers in London received a warning from an anonymous caller with an Irish accent that the bomb would go off. The call came too late to evacuate the hotel before the bomb exploded. Police think the Irish Republican Army is responsible.

Three Bombs Explode in Lisbon
Three bombs exploded in Lisbon during the early morning of 11 September at the Spanish Embassy, the Sheraton Hotel, and the building housing Royal Morocco Air. There was slight property damage at the three locations. An anonymous caller claimed that the "Revolutionary Internationalist Solidarity" had bombed the Spanish Embassy. 16 September 1975 France, Paris

Three Spanish Banks Bombed in Paris
During the evening of 16 September bombs exploded outside three Spanish banks in Paris, causing extensive property damage. No group has claimed credit for these blasts. They probably are related to the death sentences imposed on some terrorists in Spain.

terrorists convicted of murder. These include a bank in Paris, the cultural center in Toulouse, the embassies in Lisbon and The Hague, the consulate in Geneva, the ambassador's residence in Ankara, and a Madrid-to-Paris train.

27 September 1975

Colombia,
Bogota

Two Bombs Explode in Bogota

A bomb exploded at the Soviet Chancery in Bogota in the early hours of 27 September. Shortly afterward a bomb detonated at the site of a Cuban film festival sponsored by the Cuban Embassy. There were no injuries and only minor damage. Leaflets found at both sites attributed the bombings to the Military Liberation Front of Colombia, a hitherto unknown group. It is more likely that an anti-Castro Cuban exile group planted the bombs.
